Re: Pacific Island Air Tech.  
Letter of Recommendation

To Whom It May Concern:

As Project Coordinator and Property Manager for Nimitz Center, Aiea Town Square and 1111 McCully Street, I offer the highest praise to and would recommend Guy Hokama and Pacific Island Air Tech as our preferred air conditioning vendor.

Over the last several years, we have been more than satisfied with the quality of work, immediate responses to our trouble calls and reasonable solutions to our technical problems. Pacific Island Air Tech always provides the best pricing and services for all types of jobs. Their performance, coordination and follow up have been exceptional, and thus, Pacific Island Air Tech is our preferred air conditioning vendor. All it's employees are very professional, have the highest integrity and thus, have gained our trust and appreciation for all the value they provide to our properties.

If there are any questions regarding Pacific Island Air Tech as an organization or the quality of work they provide, please do not hesitate to contact me.

Sincerely,
